Exhibition Guide

ACCUCOMS
Stand No: 17
Website: www.accucoms.com
Contact: Simon Boisseau / simon@accucoms.com
ACCUCOMS is a global, leading provider of sales and marketing services to academic and professional publishers worldwide. ACCUCOMS has extensive expertise in global representation, telesales and business intelligence services to clients ranging from large publishing houses to specialist society publishers. ACCUCOMS is specialized in projects aimed at contacting librarians on behalf of publishers interested in boosting their sales, expanding their readership worldwide, and increasing customer retention by means of customer support and training services. In 2016 ACCUCOMS launched Aggregagent, a new way of thinking about collection sales and changing the big deal scene in the industry.

ACS Publications
Stand No: 26
Website: http://pubs.acs.org/
Contact: Finbar Galligan / FGalligan@acs-i.org
ACS Publications, a division of the American Chemical Society, is a nonprofit scholarly publisher of nearly 50 peer-reviewed journals and a range of e-books at the interface of chemistry and related sciences, including physics and biology, which are consistently ranked among the most cited, most trusted, and most read in scientific literature. The Division offers high quality, rapid time to publication, a range of channels to access the publisher’s cutting-edge digital platform, and a comprehensive program of Open Access initiatives. ACS Publications also publishes Chemical & Engineering News—a news magazine covering science and technology, business and industry, government and policy, education, and employment aspects of the chemistry field.

ACSESS
Stand No: 24
Website: dl.sciencesocieties.org
Contact: Paul Calow / paul@burgundyservices.com
ACSESS is an association of prominent international scientific societies working in Crop, Soil, and Environmental Science. Our Digital Library is a complete collection of all content published by the American Society of Agronomy, Crop Science Society of America, and Soil Science Society of America and a vital component in serving our mission and membership by providing innovative, valuable resources for the betterment of our community, and our world. Visit the Burgundy stand to find out more.

Adam Matthew Digital
Stand No: 12
Website: www.amdigital.co.uk
Contact: Nia Phillips or Oliver Stacy / info@amdigital.co.uk
Adam Matthew Digital publishes unique primary source collections from archives around the world. We collaborate with leading libraries and academics to produce research and teaching collections for universities, colleges and libraries. We seek to inspire students, enhance learning environments, and aid research by making important primary sources available to a global audience. Visit our stand to learn about transformative Handwritten Text Recognition (HTR) technology, which enables full-text searching across manuscript material. A first for primary source publishing, HTR uses AI to enable handwritten text to be identified. Learn more at www.amdigital.co.uk/HTR
AIP Publishing

Stand No: 14
Website: publishing.aip.org
Contact: Brett Thomas / bthomas@aip.org

AIP Publishing is a wholly owned not-for-profit subsidiary of the American Institute of Physics (AIP). AIP Publishing’s mission is to support the charitable, scientific and educational purposes of AIP through scholarly publishing activities in the fields of the physical and related sciences on its own behalf, on behalf of Member Societies of AIP, and on behalf of other publishing partners to help them proactively advance their missions. AIP Publishing’s portfolio comprises 20 highly regarded, peer-reviewed journals, including the flagship journals Applied Physics Letters, Journal of Applied Physics, and The Journal of Chemical Physics, in addition to the AIP Conference Proceedings.

Alexander Street

Stand No: 11
Website: www.alexanderstreet.com
Contact: Gareth Bish / gbish@alexanderstreet.com

Alexander Street is the world’s leading provider of academic streaming media to libraries. We’ve partnered with top film producers globally - and Jisc - to deliver 130,000+ titles to the UK HE and FE sectors via DDA, Academic Video Online, and MediaPlus. All titles are cross-searchable on the same high-functionality platform – http://search.alexanderstreet.com - with on-demand, institutional pricing. We’ve made it easy for video to be accessible for learning needs, through synchronous transcripts (in 80+ languages), screen-reader compatibility, clip-making, custom playlists, social media, send-to-mobile functionality, and new user-engagement tools for 2017. Please visit our stand to share our passion!

Annual Reviews

Stand No: 34
Website: www.annualreviews.org
Contact: Mark Greene / mgreene@annualreviews.org

Annual Reviews is a nonprofit publisher dedicated to synthesising and integrating knowledge for the progress of science and the benefit of society. Annual Reviews journals promote the sharing of relevant research through in-depth, highly-cited reviews written by invited authors. 47 disciplines are covered within Biomedical, Life, Physical, and Social Sciences, and a variety of content collections for institutions and consortia are available.

New in 2017: Annual Review of Cancer Biology

Bioscientifica

Stand No: 25
Website: www.bioscientifica.com
Contact: Yann Amouroux / yann.amouroux@bioscientifica.com

Bioscientifica exists to support biomedicine. Through our expertise in publishing, events and association management we strengthen biomedical communities to advance science and health. Bioscientifica's publishing portfolio includes five subscription journals, two archives, and three open access titles that are essential reading for both researchers and clinicians. We only publish the highest-quality research: four of our five subscription journals are ranked in the top quartile of their Journal Citation Reports categories.

Bloomsbury Digital Resources

Stand No: 7
Website: www.bloomsburydigitalresources.com
Contact: Jessica Tackett / Jessica.Tackett@bloomsbury.com

Bloomsbury Digital Resources provides creative online learning environments that support scholarly research and inspire students throughout the world. We seek to engage our users with academically rigorous, editorially crafted content that
encourages people to think and explore. We believe in working in partnership with librarians, researchers and instructors to offer flexible solutions and unparalleled customer support, and we strive to create a culture of excellence and entrepreneurial thinking that is solutions-focused and rewards innovation.

--

ProQuest  

PROGRESS SPONSOR

Stand No: 11
Website: www.proquest.com
Contact: info@go.proquest.com

ProQuest is committed to supporting the important work happening in the world’s research and learning communities. The company curates content that matters to the advancement of knowledge, assembling an archive of billions of vetted, indexed documents. It simplifies workflows so that people and institutions use time effectively. And because ProQuest connects information communities, complex networks of systems and processes work together efficiently. ProQuest and its companies and affiliates – Ex Libris, Alexander Street, Bowker – stand for better research, better learning, better insights. ProQuest enables people to change their world.

RCNi

Stand No: 1
Website: rcni.com/journals
Contact: Guy Plowman / institutions@rcni.com

RCNi is committed to being an essential nursing resource, inspiring and informing the whole nursing team to deliver best practice and care. We are dedicated to providing nursing staff and nursing students with insight and practical information to support their education, career development and enhance their skills and understanding. We offer a wide range of products that support both nurses and nursing students including a comprehensive list of journals, an e-learning platform and an extensive journal archive. In September we launched the new RCNi Journals platform that features enhanced mobile experience and article metrics.

SAGE Publishing

Stand No: 13
Website: www.sagepub.co.uk
Contact: market@sagepub.co.uk

Sara Miller McCune founded SAGE Publishing in 1965 to support the dissemination of usable knowledge and educate a global community. SAGE publishes more than 1,000 journals and over 800 new books each year, spanning a wide range of subject areas. Our growing selection of library products includes archives, data, case studies and video. SAGE remains majority owned by our founder and after her lifetime will become owned by a charitable trust that secures the company’s continued independence. Principal offices are located in Los Angeles, London, New Delhi, Singapore, Washington DC and Melbourne. www.sagepublishing.com

Society for Scholarly Publishing

Stand No: 21
Website: www.ssppnet.org
Contact: Melanie Dolechek / mdolechek@ssppnet.org

The Society for Scholarly Publishing (SSP) is a nonprofit organization formed to promote and advance communication among all sectors of the scholarly publication community through networking, information dissemination, and facilitation of new developments in the field. SSP members represent all aspects of scholarly publishing – including publishers, printers, e-products developers, technical service providers, librarians, and editors. SSP members come from a wide range of large and small commercial and nonprofit organizations. They meet at SSP’s annual meetings, educational seminars, and focus groups to hear the latest trends from respected colleagues and to discuss common and mutual (and sometimes divergent) goals and viewpoints.
SPIE
