A new ILS for TiU

1. TIU library systems
   - home made
   - enrichment server
   - Webwijs (pers. profile pages)
   - iPort
   - Place locator
   - Shared development
   - Online contents
   - LBS 3, 4
   - METIS (CRIS)
   - Dataverse

2. ICT strategy
   - (ICT governance)
   - ICT architecture
   - Outsourcing / cloud
   - preferably cloud
   - web / no client
   - Google (Scholar, Books)
   - WorldCat

3. ILS criteria
   - preferably integrated solution
   - cost!
   - no YAI (yet another ILS)
   - clear future / strategy

4. Candidates
   - Primo / Alma (Ex Libris)
   - WorldCat local / WMS (OCLC)
   - Summon

5. Road to decision
   - workshop 1: proof of concept
   - time to think
   - workshop 2: incl. strategy
   - final proposal

6. Final choice
   - boot or good enough?
   - ease of use
   - future: WorldCat & Google

7. (to be) resolved
   - lendomaat
   - legal things
   - exit strategy

8. Future
   - digital library
   - heritage collection
   - NCC/GGC
ICT-architecture
