*If you're using a Blackberry or Windows phone, skip these steps. You'll need to use the web version of the app found here: [Add hyperlink to OEG].*

**2 Install the app.** Search for the name of the event, the name of the app, or the organization hosting it. Once you've found the app, tap either **Download** or **Install**.

After installing, a new icon will appear on the homescreen.

## Or check for updates

**1 Go to the right store.** Access the App Store on iOS devices and the Play Store on Android.

**2 Check for updates.** If you have an iOS device, tap the **Updates** tab and check the list to see if any updates are available for your app.
