Jisc

Have a go at the first four questions, take about 5 mins, then

Session 3: A closer look at licences

1. When does the licence start and end?

2. Can the content be used for inter-library loan?

3. What is wrong with Clause 8.8?

4. Can the content be used for datamining?

E-Resource Licensing Explained : An A-Z Licensing Guidebook for Libraries

Rachael Samberg; Katie Zimmerman; Samantha Teremi; Erik Limpitlaw; and Sandra Enimil

https://berkeley.pressbooks.pub/eresourcelicensingexplained/

» Authorised Users may not use the Subscribed Products in combination with an artificial intelligence tool (including to train an algorithm, test, process, analyse, generate output and/or develop any form of artificial intelligence tool);

» Swiss consortium: https://consortium.ch/wp_live/wp-content/uploads/2024/06/Elsevier_Journals_agreement_2024-2028.pdf

5. When the subscription ends, how can you gain access to the issues of the journals you have paid for?

6. What about copies of articles that have been made during the subscription – what should happen to these?

7. What happens if the Publisher sells some of the journal titles you are subscribing to another publisher?

8. A lecturer wants to send an article from this resource to a colleague at another university – is this permitted?

9. Staff in your institution's Business Development Office wish to use this resource - is this permitted?

10. What should you do if you find that one of your students is misusing the resource?
