Website: [www.aip.org](http://www.aip.org)

**Aries Systems Corporation**  
**Stand 24**

Editorial Manager® is a premium online manuscript submission and tracking system. It provides the best user experience for authors, reviewers, editors and journal office staff. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the whole submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. Email is sent automatically to appropriate parties when significant events occur. Editorial Manager has been adopted by top publishers (Elsevier, Lippincott Williams & Wilkins, Kluwer Academic) and leading scientific societies.

Representatives: *Brian Lewis, Richard Wynne*

**SAGE Publications**  
**Stand 1**

SAGE Publications demonstrates the SAGE FULL-TEXT COLLECTIONS: discipline-specific electronic journal collections providing full-text articles published by SAGE and its publishing partners. The first four Collections (in Criminology, Communication Studies, Sociology and Politics & International Relations) include over 80 peer-reviewed highly cited journals, and 20,000 articles. Subscribers have electronic access to current and archive content, fully searchable and 100% linked.

**Swets Blackwell**  
**25-29**

**Stands**

At Swets Blackwell we have a great deal of experience in helping and advising customers in the transition from print to electronic subscription management and access systems. Our services are continually developed to meet the new challenges that electronic information management brings. We have developed partnerships with leading database providers to enhance the range of information resources that we offer. From price quotations to publisher licensing negotiations, we have a team that can help.

**Thieme Publishing Group**  
**Stand 63**

With more than 550 staff worldwide, Thieme Publishing Group maintains offices in New York, Stuttgart, and Singapore. We publish more than 130 medical and scientific journals, in traditional print and in electronic form through our thieme-connect server. More than 60 of these journals are published on behalf of professional societies, and they are central to the missions of these organisations. Each year, we bring out more than 500 new books - more than 125,000 printed pages - and dozens of online products.

### **van de Bilt Sales & Marketing**

#### **Stand 57**

We represent a number of academic, scientific and professional publishers towards bookshops and libraries in the UK, Benelux and Eire. Amongst our lists are: **The Royal Society of Chemistry, IOS Press, Walter de Gruyter**, including **Aldine** and **Mouton**, **Mary Ann Liebert, University College Dublin Press** and **Schmidt Periodicals**. Van de Bilt Sales & Marketing is neither a bookseller nor a subscription agent. Our function is to promote the literature produced by publishers, to assist in any problems you may have with these publishers, and to discuss and report trends in our trade.

Representatives: *Janet van de Bilt, Theo van de Bilt*

Address: Forgandenny, High Wych, Sawbridgeworth, Herts CM21 0HX

Tel.: 01279 725468 Fax: 01279 725468 E-mail: [theo@vandebilt.co.uk](mailto:theo@vandebilt.co.uk)

At UKSG 2003 Janet & Theo van de Bilt present three of their six lists:

**Mary Ann Liebert Inc.**, founded in 1980, is universally acknowledged for the establishment of new, authoritative publications in exciting and promising areas of biotechnology, biomedical research, clinical medicine, surgery, and science. Find out more about the Liebert Online Programme, and such cutting-edge titles as **Biosecurity & Bioterrorism, Human Gene Therapy, AIDS Research and Human Retroviruses** and **Election Law Journal**. For further details and links to free e-samples visit: [www.liebertonline.com](http://www.liebertonline.com) For information about the **Database of Biotechnology Companies & Resources** visit: [www.gendirectonline.com](http://www.gendirectonline.com)

**Schmidt Periodicals**, specialists for back sets, volumes and issues of periodicals, serials and reference works in all subjects and major Western languages. With a stock of more than three million antiquarian volumes and high quality reprints, we can supply very rare items as well as more recently published journals. Our worldwide search service from bases in Europe and the United States allows us to find and quote for titles that cannot be supplied immediately from stock. For further details check: [www.periodicals.com](http://www.periodicals.com)

**IOS Press**, established in 1987 in Amsterdam, publishes both journals and books in a broad range of subjects: Biomedicine and Health, Science, Technology and Computers and Telecommunications. IOS publishes 55 journals, most of which are available electronically, and produces about 100 new book titles every year. For further details check: [www.iospress.nl](http://www.iospress.nl)
